Sub: Approval for Case Analysis by your Students

Dear Sir,

This is to clarify that your students Nik Nor Amalina Bt Nik Mohd Sukri, Matric number: 814444 and Raudzatul Jannah Bt Ezahar, Matric number: 814285 from Universiti Utara Malaysia have approached us for their assignment to write the case about our organization as partial requirements of their course on Strategic Management.

We have no objection, subject to the condition that only information publically available will be provided to them. In no case, the proprietary or private information will be provided to the students, which may have impact on the prestige of our organization or may compromise on our competitive position.

It is understood by this organization that the purpose of the case report is pure academic and is meant to provide hands on experience to the students. If we have any doubt, we can approach you on your h/p and email.

Yours Faithfully,

(NUR 'IZZATI ABDUL RAHMAN)
